

SPOTX Partner Agreement

Effective 24 August 2026

Partner Details

Business Name: hospitality digital screen solution

Partner Code: PTN-54773739

Partner Type: vendor

Entity Type: partnership

Primary Contact: anish (anish@hospitalitydigitalscreensolution.com)

Assigned Tier: Registered — 10%

Terms Summary

This agreement confirms the partnership between SPOTX and the partner named above, effective on the date shown, following successful verification of KYC documents and bank account details. Commission is payable per the partner's assigned tier and the commission rules configured in the SPOTX Partner Panel, subject to review, approval, and settlement per SPOTX's standard payout cycle. Either party may terminate this partnership with written notice; commission already earned on won opportunities prior to termination remains payable per the standard settlement process. This document is system-generated upon partner verification as a summary record — it does not replace a signed master services agreement where one is separately executed between the parties.

Generated automatically by the SPOTX Partner Panel upon verification.
